Book in at least half an hour before fishing starts. Anyone who is going to be late for the ‘Away’ venues should contact Iain in advance to have a peg drawn from them.

If the weather looks bad contact Iain before travelling to ‘Away’ venues in case it has to be moved.

When ‘Away’ where we fish may have to be moved if other people are already fishing.

For Tidemills come prepared for a short walk.

Seaford and Tidemills have been chosen as the last two venues as they give the best prospects in January.
